good race, but was under a drive all through the last quarter. Suburban Queen finished

fast and got third place in the last stride. Louise Collier was out off soon after the start and

came wide at the turn into the homestretch. Senator Morrison was pulled up soon after

Went to post at 3:02. At post 6 minutes. Start good. Won driving; second easily.

Elwood was quickest to get to going and opened up a winning lead in the first furlong, but

was tiring at the end and driving to the limit to stall off Beneficent. The latter finished

fast and was wearing Elwood down and would have won in a few more strides. Myron Dale

came wide at the turn into the homestretch and fought it out with Don O'High all through

the last furlong. Ugly Ben bolted to the outside at the turn into the homestretch. Forehand

was green at the post, lunged when the barrier went up and was as good as left and made

up a lot of ground while rounding the far turn, but tired.

Elwood, show, 3 to 1. Beneficent, show, out. Myron Dale, show, evens.

Winner—Ch. c. by Russell—Bengaline (trained by G. Walker).

Went to post at 3:36. At post 7 minutes. Start good. Won easily; second driving.

John A. Scott ran as if he outclassed his field, went to the front easily in the first furlong,

set all his own pace and won under restraint. Avoid saved ground all the way and was do-

ing her best at the end to stall off James F. The latter stumbled when the barrier went up

and had to go around his field at the far turn to get up and finished fast under a drive.

Sarah Maxim was cut off at the half mile post and knocked out of it. Hedge ran out at

the stretch turn. Topsoil tired as if short and the race should improve him. Judge Himes

was never dangerous. Pericles ran a fairly good race.

Scratched—Postmaster Wright, 105.

Overweights—Lady Churchill, 3 pounds.

John A. Scott, show, 3 to 10. Avoid, show, 2 1/2 to 1. James F., show, 3 to 1. Judge

Went to post at 4:07. At post 2 minutes. Start good. Won easily; second the same. Thane was easily the best today, carried Kenova fast while going up the hill and came again when Kenova challenged in the last furlong and was going away at the finish. Kenova ran her race, was off well and had no mishaps. Stratton showed early speed, but tired in the final quarter. Water Edge was short and should improve from this race.

Time, 25, 50 1/2, 1:16 1/2, 1:43 1/2.

Lord Radnor was easily the best. Heider rated him along for the first mile, wore Montanic

down in the last half and brought him away at the end. Montanic fenced well and made

a promising debut, but tired and the race may improve him. Ceylon put up a good effort

and was easily the best of the others. It was practically a two-horse race all the way.

Tennison fell over the first jump. Ada S. G. bolted out of the course after taking the first

jump. Ohnet ran out after taking the sixth jump.

Della Ostrand displayed the most speed all the way, set a fast pace and had enough left to

stall off a challenge from Squanto. The latter had to go around the leaders to get up and

appeared like the winner at the furlong post, but tired in the last sixteenth. John Coulter

came wide at the turn into the homestretch and finished fast. Lacrimae was pinched off

at the furlong post when going well. Farmer Jim ran a good race. Paul Creyton can do

better.

 Winner—B. g. by Eolus—Lady Grace (trained by J. Fox).
 Went to post at 4:00. At post 2 minutes. Start good. Won easily; second the same. Gould outclassed his company and it was only a case of his being fit. He handled the weight in good style, had his going all the way and finished next to the outside rail. Gibson Light ran a good race at the weights and was easily the best of the others. Alma Girl came fast in the stretch and outlasted J. A. Warner in a hard drive. The latter performed well for his first out this season. Willard J. tired in the stretch and was eased up when beaten. Captain Conover and Concertina performed poorly.

 Winner—B. c. by Henry of Navarre—Souriant (trained by J. Whalen).
 Went to post at 4:30. At post 2 minutes. Start good. Won handily; second the same. Sourire received the benefit of a judicious ride and that won for him. Gannon picked his going all the way and the colt finished gamely under a hard ride catching The Brown Monarch in the last fifty yards. The latter forced the pace in the deep going next to the rail and the effort told in the last sixteenth, and Fisher could not put up a strong finish. Interlude is speedy and liked the going, but was not up to a hard race and should improve. George R. Harrison was under a drive in the first half and was eased toward the end. St. Roche did not run to expectations.
 Overweights—George R. Harrison, 1 pound.

 Winner—Ch. c. by Golden Garter—Stella (trained by A. C. McCafferty).
 Went to post at 4:55. At post 3 minutes. Start good. Won handily; second driving. Star and Garter showed the most speed and forced a fast pace, was at home in the going and stood a stretch drive gamely, but was tiring and all out at the end. Carroll D. ran a good race, but was weakly handled in the final drive. Imperious was a keen contender all the way, but was in the deep going next to the rail all through the stretch and tired at the end. Lord Advocate was squeezed out right after the start, but showed speed and ran well for over five furlongs. Brisk is rounding to. He was in a pocket in the stretch and had to come around the other horses. This effort told and he tired when he seemed the winner a furlong from home. Jove ran as if he disliked the going.

 Winner—Ch. c. by Tenny—Whisperine (trained by D. Carter).
 Went to post at 5:20. At post 1 minute. Start good. Won handily; second easily. Creamer rode a capital race on the winner. Hist showed speed and was rated carefully so that when Duke of Kendal challenged in the final furlong he had enough left to stall the latter off. Duke of Kendal displayed speed and was at home in the going. He stumbled while going down the backstretch and made a determined bid a furlong from home, but tired and could not get up. Blue Victor lacked speed and disliked the going. Lucky Day bolted at the turn into the backstretch, then made up ground fast, but tired in the stretch and was eased up.
 No show betting.

 Winner—B. c. by Brutus—Grandezia (trained by C. E. Murry).
 Went to post at 2:14. At post 1 minute. Start fair. Won easily; second the same. Anvil, from an indifferent start, gradually improved his position and gaining the lead on the far turn came away from the field cantering and was much the best. Brennus was always prominent and easily second best. All About tired and fell away in the stretch run. Penance's head stall slipped, but she evidently disliked the going as she tired after forcing the pace for the first half. Alms Giver closed a gap from a poor start.

 Winner—B. m. by Russell—Edith, by Long Taw (trained by W. E. Cotton).
 Went to post at 2:44. At post 8 minutes. Start good. Won driving; second easily. Educate, lucky at the start and judiciously reserved in the first half, made good with a winning stretch run. Nullah got away poorly and raced into prominence quickly and held on unexpectedly well in a long drive. Esperando ran as if short, but was favored by the going and should improve. Tyrannus ran a game race under his weight and was going fastest of all at the end. Tom Slavin, not keyed up, fell away after going a good half. Lexington Pirate ran as if short, but displayed his old time speed for the first half.

 Went to post at 3:10. At post 1 minute. Start good. Won driving; second easily. Toto Gratiot was skillfully handled, practically forced the pace throughout drew to the front on the far turn, picked the best going and put up a game finish. Warte Nicht, away badly and badly handled, improved his position from the start, but was kept in the deep going all the way and tired right at the end and was probably best. Past Master trailed under poor guidance and closed up very fast in the last quarter on his own courage. Mr. Dingle went well throughout. Byronerdale quit after going a good six furlongs.

 Winner—Br. f. by Ormonde—Libbertiflibbet (trained by P. Ryan).
 Went to post at 3:34. At post 1 minute. Start bad. Won driving; second easily. Honiton got away in her stride and quickly raced into a commanding lead and although tiring rapidly she stuck to her work and put up a long and game stretch drive. Epicure, away badly, closed a big early gap, traversed the deep going throughout and was wearing the winner down at the end. Princess Titania followed the winner's pace closely to the stretch, where she unexpectedly failed to stay and was evidently short. Long distance races have dulled Lady Kent's early speed, and in spite of beating the barrier she lost much ground but was gaining fast at the end. Tower of Candles whirled at the start and was practically left.
 Honiton, show, 1 to 2. Epicure, show, out. Princess Titania, show, 3 to 5.

 Winner—Br. f. by Orvieto—Coalesce (trained by D. Cameron).
 Went to post at 4:00. At post 1 minute. Start straggling. Won in a canter; second easily. Mildred Schultz won as if she outclassed the field in the going. Away in her stride, she made the most of her advantage and led unextended throughout. Pat Morrissey closed up very fast in the last quarter after being forced into the deep going from the start. Sugden had clear sailing and came with a belated rush at the end and can do better. Arthur Ray was a contender when a sixteenth out and then quit. Jerid favors stiff going, but can not beat this kind in his present form.

 Winner—B. g. by Morello—Sunlit (trained by W. Delaney).
 Went to post at 4:22. At post 3 minutes. Start good. Won driving; second handily. Sunello was lucky at the start, ran on the outside with clear sailing and in the best going, was outrun to the stretch where he closed up gamely under a vigorous ride and caught the leaders tiring. I. O. U., favored by the going, ran a superior race, went into active contention early in the race and drew clear when a furlong out like an easy winner, and was caught napping at the end. Lena was a prominent contender throughout and only retired after being crowded in the last few strides. Sea Lion failed to stay after leading for nearly seven furlongs. Yellowstone fell away in the last sixteenth only and had scant chance with an incompetent rider.
 Scratched—(37924) Larry Wilt, 110.

ROUND TRIP 25 CENTS

BUSY AT LAKESIDE.

Horsemen at Lakeside are taking advantage of the mild weather and are sending their charges along at top speed in preparation for the coming local racing season, now only two weeks hence.

The Roby track at present is in better shape than ever before at this time of year, and makes an ideal place to prepare a horse for a strenuous campaign, for aside from the track there are a number of stretches of broad road near by, admirably suited to gallop a horse over.

The stables at present are nearly all occupied, and new arrivals are the rule daily, perhaps 250 horses being at the track. The latest addition to those quartered at the Indiana track are those of Frank Doss and J. B. Sheridan, who arrived Monday from California. In the former string are Meehanus, Ed Adack and Bedner, the first named two purchased by Mr. Doss in California recently from Caesar Young and J. T. Stewart. In Sheridan's lot are Mimo, Pope Leo, Algaretta, and several two-year-olds.

C. E. Waters is expected to arrive tomorrow from Texas with six horses, including Dr. Stephens.

All the horses quartered at the track are looking in grand shape, and are far enough advanced in their preparation to go out and race at this early date. The horses that were campaigned at New Orleans during the winter show no ill effects, and the rest they have had since coming to Roby will do them a lot of good.

S. G. Morton's Hoodwink, which he purchased from C. E. Brossman at the close of the local racing season, has been fired in one of her fore legs, where she had developed a splint. The firing process will not necessarily cause a long let-up in her training, and she should be a strong factor in the Lakeside racing. The others in the Morton string are all doing well, especially Agnes Mack, which has developed into a grand looking filly. Compass and the speedy sprinter Silver Fringe were sold by Mr. Morton before leaving New Orleans. The promising apprentice rider, J. Booker, who rode some good races at the Crescent City, will do the riding for the stable, and the horses will again be trained by George Baker.

D. Lamasney's string, consisting of Albul, Allopath, Radford, Reeves, Soothsayer, Haldee and Maple, with the exception of the last named, appear healthy and are working in great shape. Maple was injured while at New Orleans, and will not be gotten ready for the Lakeside meeting. Mr. Lamasney's present intention is to race the remainder of his string at the Lakeside meeting, and when it is over ship his horses to Toronto, Ont., and race the remainder of the season on the Canadian circuit.

G. B. Watkins' seven youngsters, all Illinois bred, the get of The Hero and Peter McCue, are receiving a great deal of attention from the horsemen at the track. Report has it that they have outworked anything in the baby division and there is not one in the lot that can not work a quarter better than 23 1/2 seconds. If appearances count for anything, there are several in the string that should turn out to be good racers, especially during the early part of the season when short dashes are the rule.

Walter Hedges' lot of fourteen are all doing well, and are far enough advanced in their training to give the owner the belief that he will be able to send several to the post on the opening day. The star of the stable, Gregor K., is permitted to take things easy, and is not being hurried, as it is the owner's present policy not to start the son of Phoenix at the Lakeside meeting, and it is extremely doubtful if he faces the flag until the Hawthorne meeting begins. Haydon, which was gelded before going into winter quarters, is a much improved horse, and gives every indication of becoming a useful racer during the coming season. He was worked recently three-quarters in 1:20 under a stout pull. Wing Dance, which is being handled by Hedges for Hennessey, is another one that shows marked improvement in her work, and will give a good account of herself at the beginning of the season.

The horse Malory, Keating & Hecker's dependence for the American Derby, which has been extensively backed in the future books, has again bowed his tendons and will hardly stand training. The horse is a grand looking one and his former owner, "Brown Dick," thought him the equal of Ben Brush as a two-year-old, but his bad legs caused a postponement of his debut on the turf. Several applications of blisters have been applied to his legs but it does not seem to be beneficial to him.

Simoon, which F. Horton purchased from M. Kahn at New Orleans, died Sunday as a result of sickness developed en route from New Orleans to Lakeside.

GENERAL JACKSON DEAD.

General William H. Jackson, a noted Confederate cavalry leader, and the proprietor of the Belle Meade Stock Farm, died at his home, Belle Meade, near Nashville, Monday afternoon. He was 68 years old, and had been in failing health for more than a year and dangerously ill for several weeks past. He was graduated from West Point in 1856, and went to New Mexico, where he participated in a number of Indian fights with Kit Carson and other scouts. He resigned his commission, however, at the opening of the civil war to enter the Confederate service. Since the war he has devoted himself to agriculture and the breeding of thoroughbred running horses, some of the most noted performers of the American turf having been born at famous Belle Meade. Two children, William H. Jackson, Jr., and Mrs. Seline Eliston, survive him.

WORLD'S FAIR HANDICAP.

At midnight of today entries to the \$50,000 World's Fair Handicap, offered by the St. Louis Fair Association, will close. The winning of this stake next year will mean fortune and fame to the owner of the horse first past the winning line. Every good racer of the day should be entered. The enterprise and courage that dictated the offering of such a splendid prize should be recognized and rewarded by all owners. No exact date for the decision of this big race has as yet been set, but it will be run well along in the month of June, by which time three-year-olds will be far enough advanced in development to be able to take a worthy part in the contest, and owners should not fail to enter their now promising two-year-olds freely. Any local owners desiring entry blanks can obtain them at the office of Daily Racing Form.

GOSSIP OF THE TURF.

Michael F. Dwyer is expected to arrive in New York from his winter vacation at Rutledge, Fla., this week and assume the watchful supervision that he gives the preparation of his horses every year. At last it looks as though Mr. Dwyer has gathered together a formidable string of racers, and will return to the prominent station he occupied on the turf before his unsuccessful journey to England in company with Mr. Croker several years ago. Africander, the star of the Dwyer stable, is going briskly, and is the most fancied of all three-year-olds in training at Gravesend. Philip J. Dwyer is expected to reach Washington during the Bennings meeting, from Florida. None of the horses belonging to either of the Dwyer brothers will be seen at the post before the Aqueduct game begins.

James Robertson, who took his string from New Orleans to Bennings about ten days ago, has had more or less illness in his stable since arriving. In this respect he is not unlike many other owners whose stables have journeyed from the south. None have suffered so severely as has Mr. Thomas Hitchcock, Jr., who, as a result of the trip from Aiken, S. C., lost two horses, Dick Thompson, the steeplechaser, and Royal Middy, a two-year-old. Great American, in Mr. Robertson's string, has been ailing ever since his arrival at Washington, and last Saturday he was in such a bad way that it was decided to put him out of his misery by shooting him. Great American was anything but a stake horse, but he was a useful campaigner, and Mr. Robertson had hoped to land more than one purse with him before the season was very old. Other owners who have had horses on the ailing list report their charges as doing very well, and the indications at present are that all of them will have a clean bill of health to show before the opening of the season in New York.

Alfred Featherstone's big string of thoroughbreds will leave Kentucky for Morris Park the second week in April. Mr. Featherstone, who has spent the winter in New York, will leave for Kentucky early next week to look over the lot with trainer Bauer. Mr. Featherstone said recently:

"I look forward to a better season than ever before with my horses. They have all been doing fine, and I will be ready earlier than usual, I believe, according to the reports I have received from the training grounds."

Mr. Featherstone will not have the services of jockey Winnie O' Connor, that energetic, if uncertain, rider having gone to France to

handle the horses in the stable of Baron de Rothschild. Crosthwaite is in the employ of the stable, but with the scarcity of good riders this year, this western lad may, with some sharp improvement, be able to satisfactorily serve Mr. Featherstone.

COMMISSIONS ACCEPTED FROM \$2.00 to \$1,000.
